

**Five College Program in Culture, Health, and Science
Ever-Approved Courses**

Category II: Mechanisms of Disease Transmission		
School	Dept Name/No	Title
Amherst	Biol 8	Cancer and AIDS
Amherst	Biol 15	Evolutionary Ecology of Disease
Amherst	Biol 19	Molecules, Genes & Cells
Amherst	Biol 27	Microbiology
Amherst	Biol 33	Immunology
Amherst	Biol 36	Neurobiology of Disease
Amherst	Biol 44	Disease Biology
Amherst	Biol 53	Seminar in Molecular Genetics
Amherst	Biol 56	Seminar in Neurobiology
Amherst	Hist 94	Wonder Drugs
Amherst	Psyc 17	Psychology of Food and Eating Disorders
Amherst	Psyc 52	Psychobiology of Stress
Amherst	Psyc 59	Hormones and Behavior
Amherst	Psyc 61	Psychopharmacology
Hampshire	CS 105/ NS 105/ SS 105	Developmental Psychopathology
Hampshire	CS 208	The Birth of Mind: Biological Foundations of Psychological Development
Hampshire	IA 161	Living for Tomorrow: Cultural Contestations, Gender/AIDS
Hampshire	NS 119	Sports Science
Hampshire	NS 121	Human Biology: Selected Topics in Medicine
Hampshire	NS 135	Bodies, Guts, and Bones
Hampshire	NS 138	Archeology of Disease

Hampshire	NS 148	Human Gene Therapy
Hampshire	NS 152	Education of the Immune System and Cell Suicide
Hampshire	NS 152	Infections of Leisure
Hampshire	NS 153	New Guinea Tapeworms and Jewish Grandmothers (*P)
Hampshire	NS 153	Natural History of Infectious Disease
Hampshire	NS 154	Neuropathology
Hampshire	NS 220	Physiology
Hampshire	NS 222	Biology and Diseases of the Brain
Hampshire	NS 227	Population Genetics and Evaluation (*P)
Hampshire	NS 234	Molecular Biology
Hampshire	NS 247	Cell Biology
Hampshire	NS 250	Immunology
Hampshire	NS 259	Contemporary Issues in Int'l Nutrition
Hampshire	NS 269	The Plastic Brain
Hampshire	NS 285	Science of AIDS
Hampshire	NS 321	Women's Health
Hampshire	NS 329	Immunology
Hampshire	SS 272	Altered States
Hampshire	NS 244	Neuroendocrinology of Behavior
Mount Holyoke	Biol 319	Introduction to Immunology
Mount Holyoke	Biol 321	Emerging Infectious Diseases
Mount Holyoke	Biol 327	Microbiology
Mount Holyoke	Biol 328	Regulatory and Integrative Human Physiology
Mount	Biol 333	Neurobiology

Holyoke		
Mount Holyoke	Psych 102	First year seminar: Psychiatry, Pharmacology, and Philosophy
Mount Holyoke	Psych 222	Psych 222
Mount Holyoke	Psych 250	Bio-Bases of Behavior
Mount Holyoke	Psych 359	Of Madness & Molecules
Mount Holyoke	Psych 359	Sem: Bio-Bases of Behavior
Mount Holyoke	Psych 101	Introduction to Psychology: A Biological Perspective
Smith	Bch 380	Topics in Biochemistry: Cancer: Cells out of Control
Smith	Bio 102	Human Genetics
Smith	Bio 104	Human Biology
Smith	Bio 110	Introductory Colloquia: Life Science for the 21st Century: The Biology and Policy of Breast Cancer
Smith	Bio 306	Immunology
Smith	Bio 320	Colloquium: Cell Biology of Disease
Smith	Bio 322/Bch 348	Topics in Biochemistry: Cancer: Cells out of Control
Smith	Bio 325	Cellular and Molecular Neuroscience
Smith	Bio 330	Neurophysiology
Smith	Bio 344	Immunology
Smith	Bio 366	Topics in Cellular Biology
Smith	Ess 140	Health Behavior
Smith	Ess 340	Current Research in Health Science
Smith	Idp 208	Women's Medical Issues
Smith	Nsc 311	Neuroanatomy

Smith	Nsc 312	General Anesthesia
Smith	Psy 211	Physiology of Behavior and Related Disorders
Smith	Psy 222	Psychopharmacology
Smith	Psy 225	Health Psychology
Smith	Psy 252	Abnormal Psychology
Smith	Psy 253	Child Clinical Psychology
Smith	Psy 254	Clinical Psychology
Smith	Psy 316	Seminar in Biopsychology
Smith	Psy 325	Seminar in Mind-Body Medicine
Smith	Psy 326	Seminar in Biopsychology: Parkinson's Disease
Smith	Psy 352	Seminar in Advanced Clinical Psychology
Smith	Psy 354	Seminar in Advanced Clinical Psychology
Smith	Psy 358	Experimental Investigation in Clinical Psychology
Smith	Psyc 215	Brain States
Smith	Bio 350	Topics in Molecular Biology
Smith	Bio 321/BCH380	Seminar: Topics in Biochemistry: Molecular Pathogenesis of Infectious Diseases
Smith	BIO 152	Genetics, Genomics and Evolution
Umas Amherst	PSOILIN 140	Plagues: the ecology of disease
UMass Amherst	Anthro 208	Human Ecology (*P)
UMass Amherst	Anthro 297A	ST-Cultural Politics
UMass Amherst	Anthro 372	Human Variation
UMass Amherst	Anthro 397z	Evolutionary Medicine
UMass Amherst	Anthro 797	Human Adaptability

UMass Amherst	Biology 106	Human Biology
UMass Amherst	Biology 108	Genetics and Evolution (*P)
UMass Amherst	Biology 339	Human Anatomy and Physiology
UMass Amherst	Biology 597A	St-Biology and Aging
UMass Amherst	Biology 597A	St-Cancer Genetics
UMass Amherst	BioChem 390	Biochemistry of Health and Disease
UMass Amherst	BioEpi 390A	Epidemiology in Public Health
UMass Amherst	BioEpi 630	Principles of Epidemiology (*P)
UMass Amherst	BioEpi 632	Applied Epidemiology
UMass Amherst	BioEpi 639	Cancer Epidemiology
UMass Amherst	Entomol 126	Insects and Human Society
UMass Amherst	EnvHI 290e	Environment and Your Health
UMass Amherst	EnvHI 553	Parasitic Diseases
UMass Amherst	EnvHI 565	Environmental Health Practices
UMass Amherst	EnvirSci 504	Air Pollution Biology
UMass Amherst	ExcSci 200	Human Anatomy
UMass Amherst	ExcSci 205	Human Physiology
UMass	ExcSci 210	Human Performance and Nutrition

Amherst

UMass Amherst ExcSci 304 Human Anatomy

UMass Amherst Food-Sci 290A Biology of Food in Human Health

UMass Amherst Food-Sci 466 Hygiene and Food Handling

UMass Amherst Food-Sci 566 Food Microbiology

UMass Amherst Food-Sci 580 Food Borne Diseases

UMass Amherst Food-Sci 797E St-Bioactive Food Components

UMass Amherst Kin 110 Human Performance & Nutrition

UMass Amherst MicroBio 160 Biology of Cancer and AIDS

UMass Amherst MicroBio 190A Plagues: Microbiology of Disease

UMass Amherst MicroBio 320 Infectious Diseases & Defense

UMass Amherst MicroBio 540 Microbiology

UMass Amherst MicroBio 540 Immunology

UMass Amherst MicroBio 550 Infection and Immunity

UMass Amherst MicroBio 590S Parasitology

UMass Amherst Nurs 210 Human Dev Life Cycle

UMass Amherst Nurs 331 Pharmacology in Nursing

UMass Amherst Nurs 332 Pharmacology in Nurse

UMass Amherst	Nurs 628	Nursing Psychopharmacology
UMass Amherst	Nutritn 130	Nutrition for a Health Lifestyle
UMass Amherst	Nutritn 230	Basic Nutrition
UMass Amherst	Nutritn 397	Eating Disorders: An Introductory Perspective
UMass Amherst	Nutritn 494A	Sem- Human Nutrition
UMass Amherst	Nutritn 570	Nutrition in Disease
UMass Amherst	Psych 304	Brain, Mind and Behavior
UMass Amherst	PubHlth 160	My Body, My Health
UMass Amherst	PubHlth 390a	Epidemiology in Public Health
UMass Amherst	PubHlth 565	Environmental Health Practices
UMass Amherst	PubHlth 630	Principles of Epidemiology
Umass Amherst	KIN 172	Anatomy and Physiology II
Umass Amherst	Nursing 301	Pathophysiology
