Important Questions	Answers	Why this matters
What is the overall deductible?	$2,000 member / $4,000 family Benefits are administered on a Plan Year basis.	Generally you must pay all the costs up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes. **Preventive care**, **provider** office visits, **emergency room care**, prescription drugs, services from **Flex Providers**, and **Non-hospital based** imaging, **Rehabilitation services** and **Habilitation services** are covered before you meet your **deductible**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But, a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services
What is the out–of–pocket limit for this plan?	$7,000 member / $14,000 family	The **out-of-pocket limit** is the most you could pay in a year of covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limit** until the overall family **out-of-pocket limit** has been met.

Important Questions	Answers	Why this matters
What is not included in the out–of–pocket limit?	Pediatric Dental Care, premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out–of–pocket limit**.
Will you pay less if you use a network provider?	Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of **preferred providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the plan's **network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the provider's charge and what your **plan** pays (**balance-billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	Yes, some exceptions apply.	This **plan** will pay some or all of the costs to see a **specialist** for covered services but only if you have a **referral** before you see the **specialist**.

All **copayment** and **coinsurance** cost shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Schedule of Benefits

Harvard Pilgrim Health Care, Inc.

MASSACHUSETTS

This Schedule of Benefits states any Benefit Limits and the Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at **www.harvardpilgrim.org** or by calling the Member Services Department at **1-888-888-4742** if you are covered under an Employer Group plan or **1-877-907-4742** if you are covered under an Individual Member plan.

Office Visit Cost Sharing Levels

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this Schedule of Benefits. There are two types of office visit cost sharing that apply to your Plan: a lower cost sharing, known as "Level 1," and a higher cost sharing known as "Level 2."

Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified nurse midwives; and nurse practitioners who bill independently.

Level 2 applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other cost sharing amounts. Please see the benefit table below for specific cost sharing requirements.

Flex Providers

This Plan includes Flex Providers. A Flex Provider is a Plan Provider who provides certain outpatient services with lower Member Cost Sharing. When you receive these Covered Benefits from a Flex Provider you will pay a lower Member Cost Sharing amount than if you received the same Covered Benefit from a provider that is not listed as a Flex Provider. The table below identifies the outpatient services which may be obtained from a Flex Provider and the applicable Member Cost Sharing.

The Plan's Provider Directory lists all Plan Providers including those providers listed as a Flex Provider. You can access the Provider Directory at **www.harvardpilgrim.org**. You may also obtain a paper copy free of charge by calling the Member Services Department at **1-888-333-4742**.

Covered Benefits

Your Covered Benefits are administered on a Plan Year basis. If you are covered under an Individual Member Plan, your Plan Year begins on January 1. If you are covered under an Employer Group Plan, your Plan Year begins on your Employer's Anniversary Date. Please see your Benefit Handbook for more details. If you do not know your Employer's Anniversary Date, please contact your Employer's benefits office or call the Member Services Department at **1-888-333-4742**. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility.
