

Flex facilities

FOR LAB WORK AND OUTPATIENT SURGERY

If you have a Harvard Pilgrim plan with the Flex benefit, you can **pay lower out-of-pocket costs** for general laboratory and outpatient surgery services received at a Flex facility. Flex facilities are located throughout Massachusetts.

Please note: the lists below reflect Flex facilities as of November 1, 2017, and **may change at any time**. For the most up-to-date list of Flex facilities, see the provider directory at www.harvardpilgrim.org. Under Top Tasks, select *Find a Provider*. Choose *HMO-Flex* or *PPO-Flex* under *Standard Plans*, and then select *Other Care Providers*. Once in this search, select either *General Laboratory* or *Ambulatory Surgical Center*. Facilities that are eligible for lower cost-sharing show as Flex Provider.

GENERAL LABORATORY

If you require diagnostic lab testing, contact one of the Flex facilities below or visit their websites for information on their available lab test sites and hours of operation. Your ordering clinician can also send lab draws to the Flex facilities below. These labs have multiple locations throughout Massachusetts.
