

Clarification on SBC format

As of April 1, 2017 the federal government has issued a new format for the *Summary of Benefits and Coverage* (SBC) document. One of the most significant changes to the format is the way deductibles are referenced in the cost-sharing chart. The cost-sharing chart shows copayments and coinsurance **after** the deductible has been met.

- A statement appears at the top of the chart noting that all copayments and coinsurance are **after the deductible has been met**, if a deductible applies (see example below). Please note that this wording appears only at the top of the chart.

All copayments and coinsurance cost shown in this chart after your deductible has been met, if a deductible applies.

- If the deductible does not apply to a benefit, the phrase "deductible does not apply" appears in the chart.
- If the "What You Will Pay" column, indicates "no charge," this means no charge **after** the deductible has been met.

Common Medical Event	Services You May Need	What You Will Pay		Limitations, Exceptions, & Other Important Information
		Network Provider (You will pay the least)	Out-of-Network Provider (You will pay the most)	
If you have a test	Diagnostic test (x-ray, blood work)	X-rays: No charge Laboratory: Select Providers: No charge; <u>deductible</u> does not apply. Other Plan Providers: No charge	Not covered	None
	Imaging (CT/PET scans, MRIs)	No charge	Not covered	Cost sharing may vary for certain imaging services.

We encourage readers to reference *Schedule of Benefits* documents for cost-sharing details. The *Schedule of Benefits* is the contract between a member and Harvard Pilgrim Health Care and is the more complete document.

But, a copayment or coinsurance may apply.</p>
<p>Are there other deductibles for specific services?</p>	<p>No. There are no other specific deductibles.</p>	<p>You don't have to meet deductibles for specific services</p>
