Important Message About Our Provider Network

The provider network is subject to change. While we make every effort to keep this directory up-to-date, changes may occur at any time. The physicians and other medical professionals in our provider network participate through contractual arrangements. These contracts can be ended either by a provider, by Harvard Pilgrim, or the contractual organization on behalf of Harvard Pilgrim. A provider may also leave the network because of retirement, relocation or other reasons before your next enrollment date. This means that we cannot guarantee that the provider you choose will continue to participate in our network for the duration of your membership. If your PCP leaves the network for any reason, we will make every effort to notify you in advance, or as soon as possible, to help you find a new Harvard Pilgrim provider to meet your health care needs.

Atrius Health Select

Atrius Health PCP = lowest cost share level

The Atrius Health Select plans include an extensive provider network throughout New England and across the nation. You are also covered, with higher cost sharing, for providers who are not in the Atrius Health Select network.

In the Atrius Health Select plans, when you select an Atrius Health PCP, your costs will generally be lower than when you select a non-Atrius Health PCP. In some cases, a provider may practice at more than one location, including both an Atrius Health and non-Atrius Health medical practice. Different out-of-pocket costs may apply to the same provider based upon where you access care from that provider. You must see your PCP at an Atrius Health location to ensure you pay less in out-of-pocket costs.

If you have questions, please refer to your plan documents or call Member Services at (888) 333-4742.

Please check your *Schedule of Benefits* for details, or visit www.harvardpilgrim.org/atriushealth.

In some cases, a provider may practice at more than one location and may have a different tier assigned to each. Keep in mind that different out-of-pocket costs may apply to the same provider based upon where you are treated by that provider. Be sure to consult this provider directory every time you seek services from a Harvard Pilgrim network provider. If you have questions, please refer to your plan documents or call Member Services at (888) 333-4742.
