Important Message About Our Provider Network

The provider network is subject to change. While we make every effort to keep this directory up-to-date, changes may occur at any time. The physicians and other medical professionals in our provider network participate through contractual arrangements. These contracts can be ended either by a provider, by Harvard Pilgrim, or the contractual organization on behalf of Harvard Pilgrim. A provider may also leave the network because of retirement, relocation or other reasons before your next enrollment date. This means that we cannot guarantee that the provider you choose will continue to participate in our network for the duration of your membership. If your PCP leaves the network for any reason, we will make every effort to notify you in advance, or as soon as possible, to help you find a new Harvard Pilgrim provider to meet your health care needs.

Provider Directory Key/Legend

Quality Honor Roll Designations

This symbol indicates that this Primary Care Provider or hospital has distinguished itself in the delivery of high quality care. For a full explanation of the quality designations, please return to the results page and click on the Honor Roll ribbon. Due to technical limitations, the Quality Honor Roll symbol used in your personalized directory differs from those you viewed in the HPHC online directory. Please see the legend below for an explanation of the quality award symbols used in this directory:

14 = 2014

☉ - Primary Care Provider or hospital has distinguished itself in the delivery of high quality care.

Harvard Pilgrim POS or PPO members may obtain care from UnitedHealthcare providers outside of Massachusetts, Maine, New Hampshire, Rhode Island, Connecticut and Vermont at the In-Network coverage level.

Atrius Health Select

Atrius Health PCP = lowest cost share level

The Atrius Health Select plans include an extensive provider network throughout New England and across the nation. You are also covered, with higher cost sharing, for providers who are not in the Atrius Health Select network.

In the Atrius Health Select plans, when you select an Atrius Health PCP, your costs will generally be lower than when you select a non-Atrius Health PCP. In some cases, a provider may practice at more than one location, including both an Atrius Health and non-Atrius Health medical practice. Different out-of-pocket costs may apply to the same provider based upon where you access care from that provider. You must see your PCP at an Atrius Health location to ensure you pay less in out-of-pocket costs.

If you have questions, please refer to your plan documents or call Member Services at (888) 333-4742.

Please check your *Schedule of Benefits* for details, or visit www.harvardpilgrim.org/atriushealth.

BIDMC Choice Plan and BIDMC Select Plan

Tier 1 = lowest cost share level for the BIDMC Choice Plan and Select Plan

Tier 2 = middle cost share level for the BIDMC Choice Plan and Select Plan

Under BIDMC's Choice and Select plans, members pay different levels of cost sharing depending on the tier of the provider or facility chosen to deliver a covered service or supply.

In some cases, a provider may practice at more than one location and may have a different tier assigned to each. Keep in mind that different out-of-pocket costs may apply to the same provider based upon where you are treated by that provider. Be sure to consult this provider directory every time you seek services from a Harvard Pilgrim network provider. If you have questions, please refer to your plan documents or call Member Services at (888) 333-4742.

* = Tier 3 copay

NT = Not Tiered, Assigned either a PCP copay or a Tier 1 copay

NT/ID = Assigned a Tier 2 copay, includes providers who are not tiered (NT) or have insufficient data (ID)

Centered Care providers belong to physician groups that have met certain quality and efficiency standards. They collaborate with us on providing high-quality, well coordinated care and share responsibility for GIC members’ health care costs. Visit www.harvardpilgrim.org/gic to learn more.

IMPORTANT – GIC Primary Choice: Primary Choice is a limited network plan; not all providers and hospitals in Harvard Pilgrim's network participate. Also, some Primary Choice providers have admitting privileges at more than one hospital, including hospitals that do not participate in the Primary Choice network. Before any tests or appointments, you must make sure any providers and hospitals you go to for care belong specifically to the Primary Choice network. If you go to a non-participating provider or hospital (except in medical emergencies), you will not be covered and the plan will not pay for your care. If you have questions, please refer to your plan information or call Member Services.
