List of IT Contacts and Resources

Have an idea? Interested in blending your course?

Please consult with the IT department of your home campus or reach out to one of us in the Five College Consortium. IT staff members will be able to help you. Some things they can help with:

a) Help articulate, scope, and assess technology needs for your project.
b) Identify a campus IT liaison who will work with you and the FCI Blended Learning team members on your project.

Amherst College
Jaya Kannan (Director of Technology for Curriculum and Research) – jkannan@amherst.edu
