

~THE BOK PLAYERS~

present:

THE RIGHT FIT

**Five College Meeting of Department Chairs
and Program Heads**

sponsored by

Five College Deans and Five College Consortium

October 3, 2015

The Bok Players are an interactive theater group, formed at Harvard's Bok Center for Teaching and Learning in 2007. Our intent is to examine issues of equity, pedagogy, and communication in higher education, with a commitment to enhancing equality in classrooms and workplaces. Through performance, live character interaction, and role-play, the Players partner with audiences to examine complex issues of human interaction.
