

Accelerated Master's Programs at UMass Amherst – Fall 2015

The following programs welcome students from the four colleges (with appropriate preparation).

Architecture (2-year M.Arch.)	Faculty Contact: Kathleen Lugosch Website: http://www.umass.edu/architecture/content/master-architecture
Biostatistics	Faculty Contact: Nicholas Reich Website: http://www.umass.edu/sphhs/biostatistics/academics/accelerated-master-science
Economics	Faculty Contact: Gerald Epstein Website: http://www.umass.edu/economics/graduate/admissions#4+1MA
Food Science	Faculty Contact: Ron Labbe Website: http://www.umass.edu/foodsci/graduate/msphd-requirements/1-year-professional-ms-degree
Political Science	Faculty Contact: Frederic Schaffer Website: http://polsci.umass.edu/graduate-programs/admissions
Public Policy (MPP)	Faculty Contact: Lee Badgett (cc Satu Zoller) Website: http://www.masspolicy.org/academics/accelerated-master-public-policy
Regional Planning	Faculty Contact: Mark Hamin Website: http://www.umass.edu/larp/academics
Statistics	Faculty Contact: Anna Liu Website: http://www.math.umass.edu/graduate/statistics#5ms

The following life science programs build on a junior/senior year research project in a participating faculty member's lab (including affiliated faculty at the four colleges).

Animal Biotechnology & Biomedical Sciences	Faculty Contact: Jesse Mager Website: https://www.vasci.umass.edu:8080/graduate-program-overview
Biochemistry & Molecular Biology	Faculty Contact: Danny Schnell Website: http://www.biochem.umass.edu/node/54
Microbiology	Faculty Contact: Michele Klingbeil Website: http://www.micro.umass.edu/graduate/fifth-year-masters
Molecular & Cellular Biology	Faculty Contact: Barbara Osborne Website: http://www.bio.umass.edu/mcb/about_our_ms.html
Neuroscience & Behavior	Faculty Contact: Melinda Novak Website: http://www.umass.edu/neuro/prospective-students/fast-track-masters-program-information
Organismic & Evolutionary Biology	Faculty Contact: Jeffrey Podos Website: http://www.bio.umass.edu/oeb/admissions/5-year-ms
Plant Biology	Faculty Contact: Elsbeth Walker (cc: Susan Capistran) Website: http://www.bio.umass.edu/plantbio/fiveyears.htm

The following programs are limited to students who majored in these fields at the University.

Civil and Environmental Engineering	Faculty Contact: Sanjay Arwade Website:
Electrical and Computer Engineering	Faculty Contact: Tilman Wolf Website: http://ece.umass.edu/ece/five-year-program
Community Health Education (MPH)	Faculty Contact: Gloria DiFulvio Website: http://www.umass.edu/sphhs/community-health-education/academics/41-bsmph-degree-program
Health Policy & Management (MPH)	Faculty Contact: Gloria DiFulvio Website: http://www.umass.edu/sphhs/health-policy-and-management/academics/41-bsmph-degree-program
