Mettler Studios

Creative Dance Teacher Training
July 9-21, 2018
Tucson Creative Dance Center
Tucson, Arizona

Taught by Mary Ann Brehm and Griff Goehring, Mettler Studios' Creative Dance Teacher Training provides a full-immersion experience of individual and group dance improvisation and strategies for teaching for all ages and abilities. The work is based on principles developed by Barbara Mettler.

The award covers tuition for the course and housing assistance at the Homewood Suites in Tucson. Grantees would be responsible only for $50 registration fee, purchase of Materials of Dance as a Creative Art Activity by Barbara Mettler, and reduced housing costs. There are also a limited number of full housing assistance grants.

Attendees and award recipients are expected to participate in the Mettler Studios Follow-up Mentoring program of taking the material from the summer, applying it in some way to their dance work in the following year, and communicating about this work to the follow up group.
